*Ceremony*

*Rings*

*Transportation*

# BREAKDOWN

## *Reception - 45%*

This includes costs for the wedding venue, catering (food and beverages), rental fees, and any associated service charges

## *Photographer & Videographer - 12%*

Budget for hiring a professional photographer and videographer to capture all the special moments of the wedding

## *Music & Entertainment - 10%*

This category includes costs for a DJ, live band, or any other form of entertainment you plan to have at the wedding

## *Flowers & Decor = 10%*

Expenses for floral arrangements, centrepieces, bouquets, venue decorations, and other decorative elements

## *Attire = 9%*

Expenses related to the bride's and groom's attire, including wedding dresses, suits, shoes, accessories, and any alterations

## *Ceremony = 3%*

This covers the marriage license, the officiant and everything regarding the ceremony

## *Rings = 2%*

Budget for purchasing wedding rings or bands for the couple

## *Transportation = 2%*

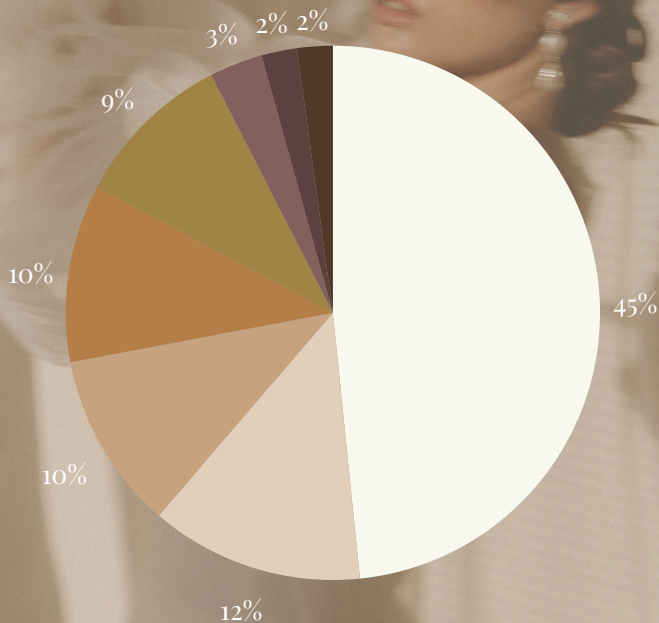

Budget for transportation arrangements for the wedding party and guests, if necessary

# CHART

Here as a rough guideline for your overall wedding budget. Each wedding is unique and has its own requirements, but having some knowledge about the potential costs in different areas can help you plan confidently.

Reception ( 45% )

Photographer & Videographer ( 12% )

Music & Entertainment ( 10% )

Flowers & Decor ( 10% )

Attire ( 9% )

Ceremony ( 3% )

Rings ( 2% )

Transportation ( 2% )
